“Caring About People and Mother Earth”

All KC's are requested to march in the Defeat of Jesse James Parade on September 12. Line up will be south of town on Division Street, beginning at 1:30 p.m. and the parade starting at 2:00 p.m. The KC Float will be making its final appearance at the DJJD Grand Parade (it is being retired after this season) and it is our council's 100th year. All members and their families are welcome to walk and ride the float. Along with us will be Cub Scout Pack 300 whom we sponsor.

**Celebrate our Centennial Year!!!**

## WORK SCHEDULE FOR DEFEAT OF JESSE JAMES DAYS:

Please carefully review the enclosed work schedule for the food wagon. As always, I try to modify the schedule from year to year as each of you requests. I strongly encourage the shift leaders to call each of the members on their shift to remind them of the schedule. Those who are unable to work the scheduled shift, please try to find substitutes or trade with someone from another shift. I have two slots which are still open, as you can see from the blanks on Friday and Saturday nights. If someone could fill those, I would really appreciate it.

*Tim Morissette*

## Chaplin's Message ~ Deacon Len

Brother Knights:

As we look over the fields of corn and beans and the wonderful picture of God's bounty to us, please let us not forget those who have nothing. I just read a book by Henri Nouwen about a martyr for his people. Father Stanley Francis Rother, a priest in Guatemala who, after 13 years, gave his life for the people of his church. We have so much here, but let us remember the people who have nothing. The people of Haiti are still without home or livelihood. There are so many people who are frightened for their very lives.

Man's injustice to man is one of humanity's greatest failures. Where there is wrong do we try and make it right, or do we turn our backs and walk away? Our prayers and our charity are easy ways to aid those in need. Jesus said we need to be our Brother's keeper and help those in need. The aborted babies cry for help. Where is it? The elderly all over the world, alone and ill, and no one in it cares. Is this the way we do the work of Jesus? Until we all really care for others in need evil will rule the world, and the cry for help will not be heard.

Come, Holy Spirit.

*DEACON LEN*
