## August Meeting

We will be having an officers meeting this month on August 5th.

The Farm Meeting has been relocated to Oddfello's Park reserved for Aug 30th from 4 to 8pm.

## Grand Knight Report

Thanks to everyone in the council for everything you do, many hands make light work, as it goes as you look in the meeting minutes our council as a whole is very busy as usual with many things going on, feel free to enjoy some camaraderie with your brother Knights on some of the projects coming up.

We will be having a Officers Meeting on Aug 16 so we can discuss materials from the District meeting we had here on July 24. Most of that info is organizational and documentation in nature for the Knights of Columbus in the larger picture.

The fall picnic will be at the OddFelows park on Aug 30

If anyone has anything for the council at anytime, PLEASE contact any one of our Officers, and we will take note of what is presented.

GK Tom C.

## Good of the Order

### Brothers -

Please keep Cindy Keogh, wife of Brother Dale Brown, in your thoughts and prayers. Cindy will be undergoing surgery on Monday. She will be laid up for approx. four weeks while recovering.

Brother Knights,

The KC's will once again be serving food via the Food Wagon at the Northfield Community Pool for the All Church Youth Group Pool Party. The event is on August 7th. We are looking for a total of 8 individuals, with a couple individuals starting at 4:00 or 4:15, and the rest starting at 5:00. The event goes until we run out of food or 7:30. The menu is very limited and all of the food is free.

This is a great community event and the churches sponsor the pool for any and all to attend.

Please respond to this email or contact Todd Feltes at [toddfeltes@msn.com](mailto:toddfeltes@msn.com) or 645-9023.

Thank you, Todd Feltes

## Chaplain's Greetings

Dear Brother Knights & their Ladies:

Again I am late in reflecting on the words of the Lord Jesus for you. Time seems to go by so fast that I feel all I can do is wave as it passes me by.

As you know by now I lost my sister-in-law just a short time ago. Today we picked up my brother and went to visit our sister and her husband. We then took Harry out to dinner, and then we went to the cemetery to pray. When we got back to our home and I finished picking a bushel of green beans, I realized that I owed my brothers & sisters a short note. Our readings for Sunday, July 29th, seem to be about food. The first reading has Elisha telling his servant to give twenty loaves of bread to one hundred people, and they ate and were satisfied, and there was food left over. Again in John's Gospel Jesus feeds 5,000 men with five loaves and two fish. These people ate and had twelve baskets of food left over. This strikes me as a lesson we all need to learn. Only our Lord Jesus can really take care of us. By our own efforts we always come up short, but with Jesus we will have enough to eat always.

Our country is in such a mess, and we see no way to better ourselves. The only one we can depend on is Jesus to turn us again toward heaven and away from hell. The evil one is winning the way to hell for those who follow him. Let us put our faith in Jesus. When we trust Him He will protect us and guide us always.

Do you remember in the Scriptures Jesus said, "I'll be with you always."? When we pause and look at our lives we can see where life has been dark and dreary. Jesus always brings the Light back for us. Our prayers are answered, and life is once again bright and cheerful. So fear not for our people. Jesus will guide and protect us if we get out of His way and let Him lead us to the golden city of Jerusalem.

As the summer begins to fade away and our days grow short and Fall is at our doorstep, store up in heaven your harvest of good things, and then the cold wind of evil will not chill and discourage you. Our Faith in God is our ticket to safety with Jesus and with all of our people who have led the way for us to our home in heaven.. Come Lord Jesus, Come.

## From the Trailer... Upcoming Food Wagon Dates

We are really in need of a brother night to assist in the management of the wagon during steam and gas weekend, as I write this, the corn crop is maturing rapidly and it appears I will not be able to manage the wagon except on Sunday, (as I am part of a harvesting crew that will run long days), nor help to clean and prep it for Jesse James Days. Sue will hopefully be around to help, But she needs alot of help.

Thanks Joe
